INTRODUCTION

The Maryland State Department of Education (MSDE), in accordance with the *Annotated Code of Maryland*, Education Article §2-205, is required to collect statistical information for all Nonpublic Schools (NPS) within the State of Maryland. The self-reported information consolidated in the following Nonpublic School Enrollment Report serves as an integral part of the enrollment statistics for the State of Maryland. This data collection may be used by various entities in their decision making processes for allocating funds to Maryland's Nonpublic Schools.

While MSDE is required to collect statistical information for Nonpublic Schools, participation is voluntary. The data recorded in this Nonpublic School Enrollment Report is self-reported by Maryland's Nonpublic Schools and is not subject to a thorough verification and audit process. The following pages reflect Nonpublic Schools' self-reported enrollment numbers. The data was collected using an internet-based survey tool.

Beginning with the 2009-2010 school year, the data reported in the Nonpublic School Enrollment Report has been divided into four school types to reflect the differences in divisions which govern the approval of those programs. These school types, their governing division, and grade ranges are listed below:

Nonpublic School Type	Governing Division	Grade Range
Private Schools	Division of Educator Certification and Program Approval, Nonpublic School Approval Branch	Grades K-12
Nursery Schools	Division of Early Childhood, Office of Child Care	Ages 2, 3 and 4
Publicly-Funded Nonpublic Schools	Division of Educator Certification and Program Approval, Nonpublic School Approval Branch	Ages 2, 3, 4 and Grades K-12
Church-Exempt Private Schools	Division of Educator Certification and Program Approval, Nonpublic School Approval Branch	Ages 2, 3, 4 and Grades K-12

Note: The COVID-19 pandemic continues to impact several nonpublic school's regular operations, as a result, some schools temporarily closed for a variable amount of time (from a few weeks to the entire SY21-22) while some schools offered remote learning or a hybrid (in-person and virtual) learning option to their students.
